Subject: Über

To Whom It May Concern:

I have been a regular user of Über in cities across America and in Europe and believe that Über is one of the most innovative and best improvements in public transportation in years. Please reconsider your action to deny them rights to serve South Carolinians!! Please feel free to call me in Edgefield to discuss this matter further. You may reach me at 803-637-5304 or 803-384-0013. Thank you. With best wishes,

Bettis C. Rainsford.

Please remove the cease and desist on uber in South Carolina. This is a safe benefit for all of us.

Thank you,

I urge the PSC to work with Uber to make South Carolina a state with ride sharing opportunity. Let's show the country that we are a progressive and innovative state.

This is to protest the motion to take away UBER. I should have the right to choose whether I want to use Uber or a taxi.
